Controversies

Vivrette has been in multiple controversies, including pedophile allegations, aswell as being doxxed by his ex-girlfriend, which has added to the public scrutiny of his personal life, prompting him to delete his account "postmanforevermore". Despite this, he continues to maintain a prominent online presence.[15]

Dogwhistles

Vivrette is known for creating dogwhistles that have gained traction within the far-right community. Some of his notable creations include:

Shmerg (Also Known as Furry Blast or Fvrry Blast)[16]: A slur that encompasses a range of controversial ideas, including racism, antisemitism, flat earth theories, and hollow earth conspiracies. It has become one of the most widely used words on far-right TikTok, often used as a hashtag to replace the now-banned hashtag "vril," which is derived from the Vril: The Power of the Coming Race book.[17] [18]

Score One For The Master Race (Also Known as S1FMR or S1FTMR): This phrase originated from a sarcastic comment by leftist TikToker moonlejewski, who suggested that Vivrette probably says it to himself in the mirror. Vivrette embraced the phrase, and it has since become one of the most used dogwhistles on TikTok.[19][20][21]

Associations and Views

Vivrette is friends with fellow far-right figure Nick Fuentes and has spread antisemitic and racist conspiracy theories, such as the "271k"[22] theory, the "13% of the people but 50% of the crime"[23] saying, and the belief that the Antichrist will be Jewish.
